**Dr. Mortha Sailakshmi**

“

*In 2016, I was searching for the perfect undergraduate medical college and fortunately found Gitam Institute of Medical Sciences and Research (GIMSR). The infrastructure and professors exceeded my expectations, providing a comfortable learning environment and valuable guidance. Serving thousands of COVID patients through GIMSR remains an honour. I highly recommend this college for its development of various facilities in multi-speciality and super-speciality courses, producing the finest doctors for our nation.*

”

“

*I am truly grateful to the institution and all the faculty members who supported and guided me throughout my MBBS journey. The infrastructure of the institution and the hospital is truly unique, providing a conducive environment for learning. The university helped me gain knowledge and contributed significantly to my overall growth and development as an individual. I learned valuable insights about real-world medical practice, beyond the confines of the classroom, through field visits, seminars, and clinical skills education.*

”
